<i>We cordially invite you for a free consultation during which we will choose the right method, type of hair, length and color.</i>					

TYPES OF HAIR

- WE - European Hair - very good quality natural and standardized hair
- SP - Slav Premium hair - the highest quality natural hair, carefully selected, ideal for Polish women. Valued for softness, shine and a smooth structure. They are qualitatively comparable with virgin hair, but available in a larger range of colors. As a rule, they are lightly processed
- Virgin hair - individual quote. Never dyed, healthy and shiny. With a 100% retained filament. Selected individually.

Hair attachment hair dyeing - PLN 150

Hair coloring of the client according to the Seemi hair & beauty price list

Unraveling tangents: over 1hour we additional 100zł for extra 1 hour

Note: tangles are not a natural occurrence when wearing long-lasting hair and are the result of not following the instructions for hair extensions or hair removal. Combing of such hair is additionally payable.

PRÓBA LASERA	0zł

- **Efficacy:** reduction in competing chromophores enables delivery of laser energy more efficiently.

- **Safety:** less energy is absorbed by the epidermis and lower fluence is required since the target is closer to the energy source.

- **Decreased pain:** The unique vacuum mechanism activates tactile and pressure skin receptors to inhibit the transmission of pain sensation.
